SIR

"D" I have the honour to state that Government in their Order No L 10929-30/1 10-41-114 dated 11-5-1942 sanctioned that the pay of M Ramish, Assistant Market Inspector, be fixed at Rs 40/- P M in grade Rs 30-2-50 without prejudice to the increments which he would get in the usual course.

According to the above order as his next increment was due on 1-12-1942, his pay was raised to Rs 42/- in the grade pay - and this was admitted in audit by the then Auditor

An increment roll was put up raising his pay from Rs 42/- to Rs 44/- from 1-12-1942 in the grade pay and the present Auditor put up an objection that the increments should be given to M Ramiah only on 14-5-1943, that is one year from the date of the Government Order referred to above

The Auditor has further pointed out in his audit objection that the excess amount paid to M Ramiah from December 1942 to 13-4-1944 may be recovered from his pay at Rs 2/- P M

The objection raised by the Auditor seems to be untenable in view of the Government Order being specific inasmuch as it is ordered that he be fixed on Rs 40/- without prejudice to his earning increments in the usual course

I request therefore that orders may kindly be passed to admit the grant of the annual increments to M Ramiah raising his pay from Rs 42/- with effect from 1-12-1942

I have the honour to be,
Sir,
Your most obedient servant,
